ITEM 4 – OTHER BUSINESS ACTIVITIES

Insurance Agent of MRP Insurance, LLC

The above-named is appointed with MRP Insurance, LLC, a licensed insurance agency in Iowa and a company owned under the parent company of MRP Holdings, Inc. They are also licensed as an agent through various insurance companies and can sell insurance and annuity products to clients and receive commissions when doing so.

Commissions earned are in addition to advisory fees earned in their capacity as an investment advisor representative.

This is a conflict of interest because the recommendations to purchase insurance and annuity products is based, at least partially, on the receipt of commission and not exclusively on each client's interest to receive the best possible recommendation. Moreover, different insurance and annuity providers and different products pay different commission rates creating another conflict of interest in that the decision to recommend one insurance product over another can be based on the amount of commission they will receive. Elite Retirement Planning, LLC has implemented internal procedures to attempt to control these conflicts of interest:

- MRP has processes designed to evaluate each clients' unique needs in order to recommend products in the client's best interest.
- MRP provides clients with full disclosure and details of commissions received for selling insurance and annuity products.
- MRP's decision to recommend a particular insurance and annuity product is based on objective criteria and not based exclusively on the amount of commissions paid.

Clients are never obligated or required to purchase insurance products from or through the above-named and may select any independent insurance agent and/or agency to purchase insurance products. Regardless of the insurance agent selected, the insurance agent or agency will receive normal commission from the sale.

ITEM 5 – ADDITIONAL COMPENSATION

Certain product sponsors may provide the above-named with economic benefits as a result of their recommendation or sale of the product sponsors' investments. The economic benefits received by the above-named can include but are not limited to, financial assistance or the sponsorship of conferences and education sessions, marketing support, incentive awards, payment of travel expenses, and tools to assist in providing various services to clients.

Although Elite Retirement Planning, LLC and its affiliates are required to act in the best interest of our clients, the compensation varies depending on the type of investment or product offered. These situations present a conflict of interest that may affect the judgement of affiliated persons, including the above-named.

ITEM 6 – SUPERVISION

Loren Merkle is the Chief Compliance Officer of Elite Retirement Planning, LLC. He is responsible for overseeing and enforcing the firm's compliance programs that have been established to monitor and supervise the activities and services provided by the firm and its representatives.
